### Principal's News

Hello everyone, just a few reminders this week;

**Enrolments 2018:** With Kindergarten Orientation progressing well, the school is beginning to prepare for the 2018 school year. Two new families have enrolled this term and I'm sure there are more out there. Please encourage any new families to the area to drop off their details to the office, so that they can be included in our numbers for next year. We are anticipating a decrease in overall numbers, largely due to the large cohort of students leaving year 6. Yamba PS has not had over 60 kindergarten students for some time and with 64 making their way to high school, we will not match this year's enrolment totals.

**Canteen:** A big thank you to Trish and Crystie who have really done a great job with our school canteen. It smells so yummy every day. We are very lucky to have fresh produce and so many homemade options from which to choose. Well done ladies!

**Lost Property:** As children take jumpers off throughout the day, we are getting more and more misplaced clothing. Our lost property box is overflowing once again. Are you missing some clothing? We invite you to check the box in the office foyer. You never know what you might find! A reminder too...

please put names on your child's clothes. Thank you.

**Payments:** Please finalise any payments as soon as possible. eg: choir, excursions or book packs (outstanding from term 1).

With our new finance system, transactions will cease at the end of November, to prepare our books, for end of year roll over. Thank you for your attention to this matter.

Diana Foley

Principal.

## Canteen News

**Thank you** to Liz Summer from Dunes Café for the Coz Lettuce seedlings. Liz's gardener Umut Ince donated them to her for the school free of charge, what a great community we live in!

KV were busy watering the seedlings until they planted them in the School Garden. They also did some weeding and picked Cherry Tomatoes for the Canteen's Super Salad Shakers. We are very grateful for the generous contribution to our garden to kitchen produce project.

Produce from the School Garden is used in the Canteen—Zucchini is added to Mexican Mince, Cucumber in the Salads, Parsley in the Pasta Salads, and Curley Lettuce in the Super Salad Shakers! Check out the Yamba Public School Canteen's Facebook site for further pictures!
