CQ - TENNIS FUN!!

Our beautiful students from CQ enjoy their Thursday sport, this term they have been walking to the community tennis courts to try their skills at tennis.

The morning activity fun is designed to help with fine motor skill and allow the students to participate and experience a new sport each term.

So far the students have tried mini putt putt and tennis.

Well done to all the students from CQ and a big thank you to Ms Burleigh and Ms Sue for organising the activities.

Sure everyone is having fun!

Principal's Report

Welcome to week 9

A re-cap of term 3...

This term has been extremely busy for YPS students, thanks to our dedicated staff for taking on the task to organise events and to parent helpers that have driven students all over the countryside. Its been a mammoth effort. School photos have been delivered and handed out; there was a lot of great photos taken. Sport played a big part in term 3 with our students representing the school in a well behaved manner on each occasion. We showed great achievement in Netball, Basketball, Soccer, Touch, Swimming, Athletics and even had a trip to Sydney for AFL.

Students also participated in Chess, Debating and the Spelling Bee competitions along with a large group of students that entered the University of NSW competition in subjects of Digital Technologies, Science, Spelling, Writing, English and Maths.

Other events that happened this term were NAIDOC Week, P&C Fathers Day stall, School Fete, Book Week and Jump Rope for Heart...

So, everyone deserves a well earned break at the end of this term!!

From YPS

We're skipping through the term!

Jump Rope for Heart is well underway and it's great to see so many children out in the playground skipping with smiles on their faces. We even have 6H and Mrs Headon putting together a fantastic item for the next assembly in week 10 inspired by all this jumping!!

It's not long until our Jump Off Day, which will be held here at school on Wednesday the 26th of September. So keep on practicing those tricks! And don't forget to share your online fundraising page with friends and family to raise money for a great cause! Still need to sign up online? It's easy, just follow this link and enter your details. <https://jumprope.heartfoundation.org.au/register>

Got It! Tip of the Week

While supporting your child to understand his feelings, it's often useful to help him to come up with some ways to solve the problem that triggered the feelings in the first place. He will probably need to know that you understand his feelings before he is ready to think about what to do next, so help him to take his time. You might say something like, "What do you think we should do?" or "What would make things better?". Praise him for trying hard to come up with different ideas to solve the problem and when he uses more helpful strategies next time a similar situation occurs. This will help him to feel good about himself and develop effective problem-solving skills.

ATTENDANCE MATTERS

Yamba Public School have invested in a new program that helps monitor students attendance, wellbeing and individual profiles.

Please make sure all personal contact details are current and if your child has any health issue it is important that you let the school know, so we can keep our records up to date.

Attendance is an important part of a student's education. If your child is away please contact the office or your class teacher with reason of absence.

The school has now brought in a follow up absence plan, with an email / SMS system, which you can reply to for a quick and easy way to let the school know of any unexplained absences.

What's Happening around the school....

Kinder Orientation

Our Kindergarten Orientation Mornings have kicked off and we have been very impressed with how well the pre-schoolers have engaged in their first two sessions at 'big school'.

The children have enjoyed socialising, meeting new friends, listening to stories, singing songs and participating in structured activities. The pre-schoolers have also been showing us just how grown up they are by listening carefully to instructions, writing their names, cutting out and sorting shapes.

Our Year 5 students' who will be the Kinder Buddies next year, have been doing a wonderful job of making our little friends feel welcome and comfortable at Yamba Public School.

We look forward to seeing all of their eager and happy faces again on Thursday morning between 9:30-11:00am. Just a reminder that our Orientation Morning on Thursday 27th September will also include a Parent Information Session where enrolment packs will be handed out and Morning Tea in our school hall between 9:30-11:00am. We hope that many parents are able to join us.

Kind Regards,
Miss Vidler and Miss Grainger

Community Announcements

Free upcoming workshops for family and friends supporting a loved one with a mental health condition Yamba and Grafton

MISSION AUSTRALIA together we stand

Communication for Carers

This workshop explores and practices the skills of effective communication, including interpreting and using non-verbal cues, as well as techniques for assertive communication. We'll also look at the benefits of good communication for our relationships and our own wellbeing. There will be plenty of practical resources to take home.

When: Thursday 15th November 10am-12pm, Grafton mental health carers support group

Where: CRANES Centre, 11 Kemp St, Grafton

Understanding the Carer Role

The purpose of this group is to offer carers a foundational understanding of their role. The role of the mental health carer is put into context along with some insight into the challenges, losses and gains. Boundaries will also be a focus, as carers are in a position of constantly giving and as a result can lose sight of who they are, their rights, and their sense of self. This course will also give carers the chance to meet others in a similar situation.

When: Wednesday 28th November, 10am-1pm

Where: Treelands Community Centre, Treelands Drive, Yamba

For further info or to RSVP please contact Leanne Gilchrist, Education and Training Coordinator
