Welcome to Week 7 of Term 4

This week our swimming program commenced and will run until Friday 7th December. Thank you to Mrs Woods for all her work in getting the program organised and providing another great opportunity for the students at Yamba Public School. Students need to make sure they are organised each day for swimming as office staff may not have the time to continually make phone calls to parents/carers to bring items that have been left at home.

On Tuesday I was lucky enough to listen to the fantastic leadership speeches delivered by the year five students. What impressed me the most was the fact that the majority of students focused on the attributes of a quality leader and tried to provide examples of how they had demonstrated those attributes as a student at Yamba Public School. Congratulations to the 32 students who had the confidence to nominate themselves for a leadership position in 2019 and deliver a speech to an audience of their peers, teachers and parents. The leaders elected for 2019 are;

Ava Hurrell, Leilani Read, Rachael Shugg, Ulani Campbell & Eliza Hughes

River Robinson, Bodhi Blackmore, Nathan Hayman, Max Earle, Casey Devine

These 10 students will deliver their final leadership speeches on Friday 30th November in the hall. Students in Yr 1 – Yr 5 will then vote for 2 Captains and 2 Vice Captains for 2019. Good luck to all the students involved and I look forward to listening to some excellent speeches on Friday morning at 9:15am

Staff are currently writing the semester 2 reports for this year. It is envisaged that reports will go home with students on Friday 7th November, with parent/teacher interviews held in the following week. Those students who are absent from school during the last weeks of term will have their reports mailed to the current address that we have on file.

In a follow up to last week's focus on the positive things that have happened at Yamba Public School in 2018, Mr Paul was extremely pleased to receive notification from the NSW Country Womens Association that Yamba Public School had been awarded 1st prize in the state for their presentation on Poland, as part of this year's country of study project. Congratulations to Mr Paul and to all those students involved.

On Wednesday 28th November, Mr Chris Gulaptis, Member for Clarence visited Yamba Public School to make a formal presentation to Mr Allen, Mrs Kelly plus a number of students in regards to a successful grant application. Mr Allen and Mrs Kelly were successful in gaining a grant of \$3500 to enlarge and enhance the school garden. This is the second grant that Yamba Public School has received in 2018 aimed at enhancing the facilities available to the students at our school.

I was extremely pleased to see the great positive feedback that Yamba Public School students received for their efforts in providing music at the local markets held last weekend. Thanks to Ryan Enns who is doing such a great job with his guitar students and in helping prepare the choir for a number of up-coming community performances. Thank you also to the parents/carers for their support in allowing the students to participate in the weekend markets.

As always parents/carers and community members are invited to attend the Sports and Citizenship assembly on Tuesday 4th December commencing at 9:30am and our major presentation assembly on Wednesday 5th December commencing at 9:30am.

Responsible Pet Ownership

Last Week the Clarence Valley Council visited Yamba Public School and Stage 1 students learnt about Responsible Pet Ownership. Students learnt how to care for animals, the reasons for microchipping dogs and how to stay safe when approached by unfamiliar dogs. Students were excited when given the opportunity to pat 'Tiger' who is a rescue dog. **Miss Vidler**

LAKE AINSWORTH

Sport and Recreation Centre

Year 5's fun in the sun adventures

Last week year 5 from Yamba Public School had an amazing time at the Lake Ainsworth Sport and Recreation Centre. It was a fun filled experience jam packed with activities that pleased all the students. The days started with an optional beach walk from 6:30 followed by a hearty breakfast at 7:30. After a quick brush of teeth, activities then kicked off at 9:15 with a program of kayaking, archery, SUPing, damper cookouts, high ropes course, sailing, snorkelling, orienteering and swimming over the 5 days. Each day ended with night activities whereby our school interacted with other schools also attending the camp from around QLD and NSW and took part in structured games run by quality facilitators. It was a fantastic team building experience where the students challenged themselves and supported each other to achieve

rewarding goals. Everyone had a wonderful time!
